

## **PIAGGIO AEROSPACE – PRIVACY STATEMENT**

Last revised: April 25<sup>th</sup>, 2026

### About this Privacy Statement

Piaggio Aerospace, together with all its business segments, divisions, and subsidiaries (“Piaggio Aerospace”, “we”, “our”), is committed to complying with applicable data protection laws and regulations in every country where we operate.

This Privacy Statement describes how we collect, store, use, and safeguard your personal data. It applies to information gathered through our online interactions—such as when you visit our websites, customer portals, applications, or register for a webcast (collectively, our “Sites”)—as well as through offline interactions, including your participation in our events (e.g., marketing activities, trade shows, or sales meetings).

In most cases, the Piaggio Aerospace entity that operates the Site you use or that interacts with you offline acts as the data controller responsible for the processing of your personal data. Piaggio Aerospace may also act as a data controller for certain centralized processing activities.

For your convenience, our Sites may include links to external websites or applications that we do not control. This Privacy Statement does not apply to such third-party platforms, and we encourage you to review their respective privacy policies.

### **Personal Data We Collect**

The information we collect depends on how you interact with Piaggio Aerospace and may include:

- Identity and Contact Information: Your name, address, and contact details (email, telephone number ).
- Authentication: Passwords, password reminders, security question answers, and similar authentication credentials.
- Payment details, including credit card number and security code, when necessary for purchases.
- Location information: including data inferred from your IP address.
- Your interests and preferences, such as preferred languages, locations, products, or services.

- Device and Usage Data: including information about your device (such as device identifiers, operating system, and browser type) and how you interact with our websites and services.
- Photographs or security camera footage if you visit a Piaggio Aerospace facility or attend one of our events.
- Information you provide through feedback forms, inquiries, service requests, customer support interactions, surveys, or similar communications.

We do not knowingly collect personal data from individuals under the age of 16.

### **How We Collect Your Personal Data**

Piaggio Aerospace collects personal data in the following ways:

1. Data you provide directly
2. Data obtained from third parties
3. Data collected through cookies

### **Why We Process Your Personal Data and Legal Bases**

Piaggio Aerospace processes personal data for various purposes including providing access to our Sites, managing offline interactions, administrative operations, communication, improving our websites, products and services, tailored advertising, security, complying with legal and regulatory obligations and corporate transactions.

We process personal data only where a valid legal basis applies, such as consent, contractual necessity, legal obligations or legitimate interests.

### **Marketing and Advertising**

We may send marketing communications with your consent or where legally permitted. We also tailor advertising based on your preferences and may share your data with trusted advertising partners.

### **How We Store, Process, Transfer, and Protect Your Personal Data**

Your data may be stored on Piaggio Aerospace servers and information systems. As a global organization, processing may occur in several jurisdictions, including outside the European Economic Area.

We may share your personal data with:

Service providers and business partners (e.g., IT service providers, payment processors)

Affiliates and group companies

Public authorities where required by law

Third parties in connection with a business transaction (e.g., merger or acquisition)

We share personal data internally and with trusted external service providers on a strict need-to-know basis, applying technical and organizational safeguards.

### **Your Rights Regarding Your Personal Data**

You may exercise rights such as access, correction, erasure, objection, restriction, withdrawal of consent, and data portability. To exercise these rights,

email: [privacy@piaggioaerospace.it](mailto:privacy@piaggioaerospace.it).

### **How Long We Keep Your Personal Data**

We retain personal data only for as long as necessary to fulfill the purposes for which it was collected, including for the purposes of satisfying legal, accounting, or reporting requirements.

Retention periods are determined based on the nature of the data and the purpose of processing.

### **Changes to This Privacy Statement**

We may update this Privacy Statement periodically. Updates will be posted on this page.
